Summary

B.Tech Computer Science student with strong fundamentals in programming , data structure and problem solving along with hands-on experience in data science and machine learning. Quick learner with passion for scalable and real-world solutions .

Education

B.Tech(CSE) | ITER | SOA University | Bhubaneswar | Odisha **2023-2027**
12th (CBSE) - PCM | BMPS Takshila School | Bhubaneswar | Odisha **2021-2023**
10th (CBSE) | Blossoms School |Bhubaneswar | Odisha **2020-2021**

Skills

- Python , SQL
- OOPs
- Machine Learning
- Deep Learning
- LangChain/LlamaIndex , Vector DBs
- NLP , RAG , LLMs
- Github , Streamlit
- FastAPI

Experience

Data Science Intern — Celebal Technologies *June 2026 – August 2026| Remote*

- Worked on ML and LLM-based solutions using RAG , LangChain and VectorDBs alongside deeplearning and time-series forecasting models .

Projects

1. SafeFlow AI – AI-Powered Safety Platform for Gig Workers

- Built FastAPI backend for an AI-powered safety platform — designed REST APIs , authentication flows and SQLAlchemy database schema with full ownership of backend development .
- Integrated Firebase OTP, real-time weather APIs and ML-based fraud detection for secure user verification and automated risk analysis .
- Owned complete API integration between frontend and backend, ensuring seamless data flow and feature delivery in a collaborative team setup .

2. AI Study Assistant(RAG Document Q&A)

- Built end-to-end document Q&A pipeline (ingestion → embedding → retrieval) in Python, applying DS/algorithmic concepts for efficient search; resolved API integration bugs and deployment issues .
- Deployed on Streamlit Cloud, improving retrieval accuracy via chunk-size tuning and hallucination testing .

2.Hirenix – AI Powered Resume Intelligence System

- Built an NLP-based resume screening system that parses resumes, matches them with job descriptions using tex t similarity, and auto-ranks candidates by fit score—automating shortlisting and reducing manual review effort .

Certificate , Workshop&Conference

- **Artificial Intelligence & Machine Learning — Edge 3 LaunchPad Program**
  D&B NextGen Learning Pvt Ltd | Jul 2025 (3-month program)
- **Participant — ICTPR-2025 (International Conference on Thought, Perception & Reality)**
  IIT Bhubaneswar | Dec 2025 | Jointly organized with Bhaktivedanta Institute
